

JOURNAL OF THE HOUSE

SECOND REGULAR SESSION, 90th GENERAL ASSEMBLY

FIFTY-SIXTH DAY, TUESDAY, APRIL 18, 2000

Speaker Pro Tem Kreider in the Chair.

Prayer by Reverend Rudy Beard.

Gracious God, our history and our experiences remind us so many times that You do guide us that we should not doubt Your power or presence. There are times when we doubt our beliefs and believe our doubts. In these times, help us to seek Your will and strive to live Your will as we find it. Give to those chosen to lead strength of conviction and dedication to selfless service of the people of Missouri.

Bless these men and women of the House and those who work with them.

2. The purpose of the farmland protection act shall be to:

- (1) Protect agricultural, horticultural and forestry land;
- (2) Promote the continued economic viability of agriculture, horticulture and forestry as a business;
- (3) Promote the continued economic viability of those businesses dependent on providing materials, equipment and services to agriculture, horticulture or forestry; and
- (4) Promote quality of life in the agriculture community.

Section 2. 1. The state or any political subdivision shall hold water and sewer assessments in abeyance, without interest, until improvements on such property are connected to the water or sewer system for which the assessment was made.

2. This section shall only apply to tracts of real property:

- (1) Comprised of ten or more contiguous acres; and
- (2) Used as agricultural or single family residential property or both; and

3. At the time improvements on such property are connected to either the water or sewer system, the owner shall pay to the political subdivision an amount equal to the proportionate charge for the number of system lines connected to improvements on such property.

4. The owner shall not be charged based on the total cost of running the water or sewer assessments to or across the owner's real property. Rather, the assessment shall be based on:

9. If the owner disputes the amount of assessment when the period of abeyance ends, the owner may appeal the amount of the assessment to the circuit court of the county in which the application was filed within thirty days of the receipt of the notice.

10. Nothing in this section is intended to diminish the authority of counties to hold assessments in abeyance.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 29.**

SENATE CONCURRENT RESOLUTION NO. 29

WHEREAS, the General Assembly finds, for the purpose of streamlining and simplifying sales and use tax imposition and collection for the twenty-first century, that:

Missouri should simplify sales and use taxes to reduce the administrative burden on the collection of sales and use taxes by both single state and multistate taxpayers and vendors;

State and local tax systems should treat transactions in a competitively neutral manner;

A simplified sales and use tax system that treats all transactions in a competitively neutral manner will strengthen and preserve the sales and use tax as vital state and local revenue sources and will preserve state fiscal sovereignty;

Remote sellers should neither receive preferential tax treatment at the expense of local "main street" merchants, nor be burdened with special, discriminatory or multiple taxes; and

While states have the sovereign right to set their own tax policies, states working together have the opportunity to develop a more simple, uniform and fair system of state sales and use taxation without federal government mandates of interference; and

WHEREAS, the General Assembly directs the Missouri Department of Revenue to enter into discussions with other states regarding the development of a multistate, voluntary, streamlined system for sales and use tax collection and administration. Such discussions shall focus on a system that would have the capability to determine whether transactions are taxable or tax exempt, the appropriate tax rate applicable to transactions, the total tax due on

transactions, the provision of a method to collect and remit sales and use taxes to the state and the development of a joint request for information from potential public and private parties governing the specification for the system; and

WHEREAS, discussions between the Department of Revenue and other states may also include, but shall not be limited to providing compensation for the costs of collecting and remitting sales and use taxes; the mechanism for compensating parties for the development and operation of such system; the establishment of minimum statutory simplification measures necessary for state participation in such system; and the establishment of measures to preserve confidentiality of taxpayer information and privacy rights of consumers; and

WHEREAS, upon the conclusion of its discussions with other state, the Department of Revenue shall issue a joint request for information; and

WHEREAS, the Department of Revenue is authorized to participate in a sales tax pilot project with other states and selected businesses to test means for simplifying sales and use tax administration, and to enter into joint agreements, which terminate no later than December 31, 2001, for that purpose. Agreements to participate in the test shall establish provisions for the administration, imposition and collection of sales and use taxes resulting in revenues paid that are equal to those that would otherwise be paid pursuant to chapter 144, RSMo. Parties to the agreements are excused from complying with the provisions of chapter 144, RSMo, to the extent a different procedure is required by the agreements, except for confidentiality of taxpayer information as discussed in this resolution; and

WHEREAS, tax return information submitted to any party or parties' action for and on behalf of this state shall be treated as confidential taxpayer information. Disclosure of confidential taxpayer information shall only be made pursuant to a written agreement between the Department of Revenue and the party or parties. Such party or parties shall be bound by the same requirements of confidentiality as the Department of Revenue pursuant to section 32.057, RSMo; and

WHEREAS, the General Assembly herein creates the Multistate Tax Compact Advisory Committee to provide legislative oversight of this effort. The committee shall consist of two members of the Senate appointed by the President Pro Tem, two members of the House of Representatives appointed by the Speaker, the director of the Department of Revenue, the Attorney General and his or her designee, and a member of the Governor's staff to be designated by the Governor. The committee shall meet on a monthly basis at the request of the director of the Department of Revenue, who shall be the chairman, or more often if requested by a majority of the committee members; and

WHEREAS, the committee shall provide a quarterly report on the progress of the multistate tax discussion and other tax simplification efforts to the President Pro Tem of the Senate, the Speaker of the House of Representatives and the Governor. By October 1, 2001, the committee shall also provide to the President Pro Tem of the Senate, the Speaker of the House of Representatives and the Governor a final report on the status of multistate discussions, including information as to whether a proposed system has been agreed upon by participating states and whether or not Missouri should participate in such agreed upon system:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri Senate, Ninetieth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby determine that streamlining and simplifying sales and use tax systems in this state will promote commerce in this state and hereby direct the Department of Revenue to work toward the goal of streamlining and simplifying sales and use taxes in this state in a manner as specified herein and as overseen by the Multistate Tax Compact Advisory Committee created herein; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for the Department of Revenue.

In which the concurrence of the House is respectfully requested.
